

Art & Design and Fashion Level 1

The Diploma in Art, Design and Fashion Level 1 provides a broad introductory year that will equip Learners with the skills and knowledge to progress onto a Level 2 qualification in art & design, fashion or media.

You will learn important skills of research, problem solving and working to a brief. There will be opportunities to work on art & design, fashion and digital media briefs.

The course is supported by regular trips to galleries and museums as well as location research trips. There is also a developing programme of artist/designer and employer talks, and opportunities for work experience, volunteering and live projects.

All students are involved in setting up and exhibiting in the end of year exhibition.

Through tutorial sessions, you will be supported to enhance wider employability skills including project management, teamwork, research, communication and presentation skills alongside your time management.

Waltham Forest College is putting sustainability at the heart of everything that we do, and in this course, you will learn practices that support pollution prevention, ecosystem management and environmental protection. Our creative courses also incorporate and promote green skills and sustainability. Art & Design and Fashion students produce projects on climate change, recycling and upcycling, and our Media students support the College's green agenda by submitting their work digitally throughout the duration of the course.
