

Art & Design and Fashion Level 1

This course is designed for ages 16-19.

The Diploma in Art, Design and Fashion Level 1 course provides a broad introductory year that will equip students to progress onto a Level 2 qualification in art, design, fashion or media.

Students will learn important skills of research, problem solving and working to a brief. There will be opportunities to work on art, design, fashion and digital media briefs.

The course is supported by regular trips to galleries and museums as well as location research trips. There is also a developing programme of artist/designer and employer talks, and opportunities for work experience, volunteering and live projects. All students are involved in setting up and exhibiting in the end of year exhibition.

Through tutorial sessions, you will be supported to enhance wider employability skills including project management, teamwork, research, communication and presentation skills alongside your time management.
