

AAT Bookkeeping Level 2 - January start (Day)

The AAT Level 2 Certificate in Bookkeeping will allow you to pursue a career in finance and accounting.

You may already be working in the Financial Sector, looking to re-train or looking to enter the industry. Either way, this course will provide you with an opportunity to gain your first level professional qualification within this field and give you the ability to develop your skills to an advanced level.

- [Sector Overview](#)

The Accounting and Finance sector plays a critical role in the global economy by providing essential financial management services to businesses, organisations and individuals.

The sector encompasses a wide range of activities, including financial planning, analysis, reporting, auditing, taxation, and risk management. It serves as the backbone of decision-making processes and ensures the efficient allocation and utilisation of financial resources.
