

Team Leading & Business Management T Level Level 3

The T Level Technical Qualification in Management and Administration allows learners to gain an understanding of what is needed to work within an administrative or managerial role. Topics covered include Business Context, People, Quality Compliance, Project, and Change Management.

The purpose of this specialism is for learners to know and undertake team leadership and management work. Learners will have the opportunity to plan, perform and evaluate their work whilst utilising a range of techniques, methods and resources.

You will also take part in an industry placement in the workplace for 45 days in total over the 2 years.

- [Sector Overview](#)

According to government statistics there were 5.5 million private sector businesses in the UK at the start of 2022. Most of these businesses are small with less than 50 employees (5.47million), 35,900 are medium sized enterprises and 7,700 are large organisations. Small businesses employ nearly 48% of the population, while large organisations employ 39%.
