

Essential Digital Skills Entry Level 3 - January start

The Essential Digital Skills Entry Level 3 qualification will allow you to develop important fundamental skills in using technology in today's digital world.

If you have no or low digital skills, you will benefit from accessing a fully funded and up-to-date qualification that reflects the evolving digital landscape.

The course is delivered on Tuesday evening from 6pm to 9pm for 12 weeks.

- [Sector Overview](#)

In today's rapidly evolving digital landscape, IT plays a pivotal role in driving innovation, efficiency, and success across various industries.

In 2023 the UK tech sector was valued to have a combined market value of \$1 trillion, the third country to reach the milestone. This makes the UK, and London in particular, a great place to start your digital career. At Waltham Forest College, we offer a comprehensive range of digital information technology courses that provide students with the knowledge and skills needed to excel in this dynamic field.

- [Entry Requirements](#)

The entry requirements for this course are:

These are an important pre-requisite skills learners need to have prior to starting this course:

- Initial English assessment of at least Entry Level 3
- Turning on a device (including entering and updating any account information safely, such as a password)
- Using the available controls on a device (such as a mouse and keyboard for a computer, or touchscreen on a smartphone or tablet)
- Making use of accessibility tools (including assistive technology) to make devices easier to use (such as changing display settings to make content easier to read)
- Interacting with the home screen on a device
- Connecting to the internet (including Wi-Fi) and safely and securely opening a browser
- Opening and accessing an application on a device

You will be required to attend an informal interview which may include completing an assessment based on your prior qualifications.

- [What will I study?](#)
