

Digital / Business / Media Level 1- September start

The BTEC Level 1 Introductory Diploma in Vocational Studies will allow you to develop practical skills, knowledge and behaviours expected by employers in the Information Technology, Business and Media Sectors.

Through theory & practical classes and work-related activities, you will gain key transferable skills as well as valuable technical skills in IT and Media. This course will also allow you to acquire the learning skills you need to be successful at Level 2 and beyond.

Through tutorial sessions you will be supported to enhance wider employability skills, including, project management, teamwork, research, communication and presentation skills alongside your time management.

Waltham Forest College is putting sustainability at the heart of everything that we do, and in this course, you will be made aware of practices that supports pollution prevention, ecosystem management and environmental protection. There will be an emphasis on the use, handling and storage of digital equipment and ensuring businesses use efficient technology systems to reduce their carbon footprint. All course work is digitally submitted and tutors' feedback electronically, reducing the amount of printing and paper being used.

The course is scheduled over 3-4 days per week and will be a mixture of theory and practical lessons.

- [Sector Overview](#)

In today's rapidly evolving digital landscape, IT plays a pivotal role in driving innovation, efficiency, and success across various industries.

In 2023 the UK tech sector was valued to have a combined market value of \$1 trillion, the third country to reach the milestone. This makes the UK, and London in particular, a great place to start your digital career. At Waltham Forest College, we offer a comprehensive range of digital information technology courses that provide students with the knowledge and skills needed to excel in this dynamic field.

- [Entry Requirements](#)

The entry requirements for this course are:

- 4 GCSEs at Grade 1 (G) or above including maths (Entry Level 3) and English

You will be required to attend an informal interview which may include completing an assessment based on your prior qualifications.

You will be expected to demonstrate a genuine commitment and enthusiasm to study.

- [What will I study?](#)

This course includes some of the following modules:

- Being organised
- Developing a personal progression plan
- Working with others
- Researching a topic
- Using digital communication technologies
