

Prince's Trust Team Programme (Term 2)

This course offers enriching experiences that contribute to personal and community growth.

The Prince's Trust Team Programme helps young people get their lives working and overcome barriers, uncover hidden talents, develop team-working and communication skills, gain awareness of their local community and how they can contribute to it, assume some responsibility for tasks, and gain nationally recognised qualifications.

Activities include community projects, residential trips, team challenges, work experience, English and maths skill development, and improving interview and CV skills.

The course runs five days a week from 9:30 am to 4:30 pm. Access to the Creative Hub and leadership opportunities are provided along with mentoring from industry professionals.
