

# Instruct UK Level 1 or 2 Award in Fire Safety

This course is designed for people who want a practical understanding of Fire Safety in the Workplace, in line with the training requirements expected from the Regulatory Reform (Fire Safety) Order 2005.

## Entry Requirements

The entry requirement for this course is:

- There are no entry requirements, however it is recommended that candidates complete a Level 1 or 2 award in Health and Safety at Work which provides a solid grounding in basic health and safety knowledge and a useful springboard for study leading to other Level 2 Health & Safety Certificates

## What will I study?

This course consists of the following modules:

Level 1:

- Understand basic fire safety and what to do in the event of an emergency
- Understand the principles of fire risk control
- Understand the basics of practical fire safety

Level 2:

- Understand the hazards and risks associated with fire in the workplace
- Understand how fire is controlled in the workplace
- Understand the role of nominated fire wardens/marshals

### Disclaimer:

Every effort has been made to ensure the details contained in this leaflet are up-to-date and accurate at the time of printing. However, the College reserves the right to alter or cancel courses, their content, entry requirements, fees or other details should circumstances dictate.

## How will I be assessed?

You will be assessed via:

- An informal assessment throughout the day and will then complete a multiple choice exam overseen by the Tutor/Assessor

## Progression opportunities

This course will lead to a life-long learning certificate at Level 1 or 2 Award in Fire Safety.
