

## Creative Practice - Fashion Level 3

The Level 3 Extended Diploma in Creative Practice - Fashion will allow you to understand and become a creative practitioner in the Fashion Industry.

There will be an opportunity to work on a range of fashion briefs which can lead students into an exciting range of career areas, for example:

- Fashion design
- Retail buyer
- Garment technologist
- Fashion illustrator
- Merchandiser
- Fashion stylist
- Textile designer
- Personal stylist

The course is supported by regular trips to galleries and museums as well as location research trips.

All students are involved in setting up and exhibiting in the end of year exhibition.

Through tutorial sessions, you will be supported to enhance wider employability skills including project management, teamwork, research, communication and presentation skills alongside your time management.

Waltham Forest College is putting sustainability at the heart of everything that we do, and in this course, you will learn practices that support pollution prevention, ecosystem management and environmental protection. Our creative courses also incorporate and promote green skills and sustainability. Art & Design and Fashion students produce projects on climate change, recycling and upcycling, and our Media students support the College's green agenda by submitting their work digitally throughout the duration of the course.

This is a 2 year study programme scheduled over 3 days per week and will be a mixture of theory, practical and online lessons.

- [Sector Overview](#)

The UK's creative industries boast a range of interesting and exciting careers for those looking to enter a thriving and innovative sector, with opportunities ranging from jobs involved with arts, culture and design to working in video gaming or the media.

The creative industries bring together a range of sub-sectors involved with economic activities that all have creativity at their centre. From fashion, crafts and visual arts to music, publishing, TV, radio and film, these are all part of what's known as the UK's creative economy.
