

Beauty Therapy Level 3

This course is suited for learners seeking to advance in their profession or to become salon managers and/or salon owners.

The VTCT Level 3 NVQ Diploma in Beauty Therapy qualification will provide you with the knowledge and skills to develop your career within the Beauty Industry.

Learners will develop their communication and customer service skills as well as practical and commercial skills, all of which are valued highly by employers.

Waltham Forest College is putting sustainability at the heart of everything that we do, and in this course, you will learn about the environment and how salons are working to become sustainable by introducing energy saving techniques, sourcing clean, vegan, ethical and eco products and by recycling. You will learn how by adopting these sustainable practices, the Beauty Industry can minimise its impact on the environment while promoting a healthier and more eco-conscious approach to beauty.

The course is scheduled over 3 or 4 days per week and will be a mixture of theory and practical lessons.

- [Sector Overview](#)

The Beauty Industry offers numerous opportunities for professionals with different specialities to start or advance their careers. If you have knowledge of cosmetic chemistry and skin biology and want to help people look and feel well, you may consider becoming a beauty therapist. It's one of the largest expanding industries within the Hair & Beauty Sector.

The work environment can be varied in size, style and ambiance, from a cruise ship, through to small bespoke salons or luxury high end beauty salons and spas. A beauty therapist works independently or as part of a team supported by a manager.
