

## Media & Animation Level 2

This course is designed for 16-19 year olds.

This course will allow you to work as a (entry level) creative in digital media design, game design, publishing, visual effects, advertising and marketing businesses.

This course will help you develop the abilities to work independently and in teams, to a client brief, to create original visual content for a range of digital media platforms.

This course is scheduled over 3 days per week and will be a mixture of theory, practical and online lessons.

Through tutorial sessions, you will be supported to enhance wider employability skills including project management, teamwork, research, communication and presentation skills alongside your time management.

## Progression opportunities

This course will lead to:

- Transition to T Level in Creative and Design
- Level 3 course in media
- Level 3 apprenticeship
- This qualification will give you the skills required to gain employment in entry level roles in the Creative Industries Sector

## Entry Requirements

The entry requirements for this course are:

- 4 GCSEs at 3 (D) or above including maths and English, or progression from a relevant Level 1 qualification
- Interview and assessment

If required, you will have the opportunity to study GCSE maths and/or English alongside your course so you can progress onto the next level.
