- [Sector Overview](#)

The UK's Creative Industries boast a range of interesting and exciting careers for those looking to enter a thriving and innovative sector, with opportunities ranging from jobs involved with arts, culture and design to working in video gaming or the media.

The Creative Industries bring together a range of sub-sectors involved with economic activities that all have creativity at their centre. From fashion, crafts and visual arts to music, publishing, TV, radio and film, these are all part of what's known as the UK's creative economy.

- [Entry Requirements](#)

The entry requirements for this course are:

- 4 GCSEs at Grade 9 to 4 or equivalent including English and maths* and, ideally, a creative subject.

You will be required to attend an informal interview which may include completing an assessment based on your prior qualifications.

*Consideration may be given if only one (English or maths) is achieved, depending on other subject grades and with the expectation the other subject (English or maths) will be achieved at 9-4 before completing the T Level. This will form part of the interview and assessment process.
