

Entry to the Uniformed Services Level 2

The NCFE Diploma for Entry to the Uniformed Services Level 2 qualification will allow you to prepare for a career in the uniformed and non-uniformed Public Services and provide you with the knowledge and understanding of the Public Sector requirements.

Learners will gain insight into the various career options available. You will learn about team building, problem solving, Health and Safety procedures and more.

You take part in adventurous activities which relies on being resilient and a team player. With this course you will be able to be one step closer on applying for a job within the Armed Forces, Emergency Services, Government Sector or Criminology and Law.

Waltham Forest College is putting sustainability at the heart of everything that we do, and in this course, you will learn more about the environment and how various areas of public services from government down are looking to reduce their carbon footprint and work towards a more sustainable future. You will take part in various projects around sustainability and discuss the best use of resources and environmentally friendly strategies and practices.

The course is scheduled over 3-4 days per week and will be a mixture of theory and practical lessons.

The College has strong links with the Metropolitan Police, London Fire Brigade, the Military and other Public Sector organisations.

- [Sector Overview](#)

Public Services in the UK provide a range of opportunities for the 5.77 million already working in the sector. The industry is made from local and national government, Health and Social Care, Education, Business Administration including Law enforcement and intelligence. It is a growing sector with increased budgets from central government for recruitment into the Uniformed Protected Services.

- [Entry Requirements](#)
