

Sport - Leyton Orient FC NCFE Diploma Level 2

This course is designed for ages 16-19.

It will give learners the introductory skills to either start a career in sport or progress within employment in the sector. This qualification can also prepare learners for higher or further education and gives a good introduction to the sport vocation.

This qualification is nested. Qualifications within a nested suite allow learners to be topped up to a qualification that is the same level and subject within the Certificate and Diploma structure.

You will study sports and leisure in a professional vocational sports setting based at Leyton Orient Football Club and the Score Sports Complex. Learners will need to have a passion for sport and an interest in exploring the different areas of this area including health, fitness, performance, coaching, sports science and events.

There will also be opportunities for work experience and volunteer placements, gain additional coaching qualifications and also to play football or other sports for our Leyton Orient College Teams in regional and London based leagues. Football students will receive six hours coaching from Leyton Orient FC Academy and Community coaches as part of their enrichment programme.

This one-year course is the first steppingstone for students interested in sports studies who want to combine education on a non-traditional site with training and playing sport to the highest level they are capable of. Learners will generally have 3-4 days of study a week including English and Maths.

Progression opportunities

This course will lead to:

- Progression to the Level 3 Sport or Level 2/3 Sports Apprenticeships
- employment within the Sports and Leisure Industry
