

Supported Internship - SEND Coffee Level 1

This Supported Internship qualification is designed for young people aged 16-18, or up to 24 with an EHCP who have Special Education Needs and/or a Learning Difficulty.

This course takes place with a single employer and allows you to build on your existing skills and talents.

The course is designed to help you improve your functional maths and English and will prepare you for further study and paid employment as well as support you to meet your personal goals.

Waltham Forest College is putting sustainability at the heart of everything that we do, and in this course, you will learn more about the environment and how the business world is working to become more sustainable.

- [Sector Overview](#)

Post 16 SEND provisions offer a range of courses to young people who have special educational needs and disabilities (SEND) which will help to prepare them for adulthood by improving independent living skills and developing employability. A person-centred approach is used to create an individualised programme of study that caters for the student's needs and helps them to achieve their goals.

- [Entry Requirements](#)

The entry requirements for this course are:

- Entry 3 or working towards Level 1

- [What will I study?](#)
