

Pathways to Vocational Studies Entry Level 3

This BTEC Entry 3 qualification is designed for young people aged 16-18, or up to 24 with an EHCP who have Special Education Needs and/or a Learning Difficulty.

The program is personalised, and the assessments will be based on individual needs and abilities. The focus is on transition to adulthood including progressing onto mainstream courses.

- [Sector Overview](#)

Post 16 SEND provisions offer a range of courses to young people who have special educational needs and disabilities (SEND) which will help to prepare them for adulthood by improving independent living skills and developing employability. A person-centred approach is used to create an individualised programme of study that caters for the student's needs and helps them to achieve their goals.

Learner, Mohammed Z - 'When I first enrolled at Waltham Forest College, I was nervous and timid. Now that I've grown more self-assured, I can talk to other students during lunch and break times. My maths and English knowledge have improved, and I now receive weekly VI support from a specialist because of my visual impairment. I am pleased to be moving onto a mainstream course for the upcoming academic year.'

Waltham Forest College is a vibrant and aspirational college and will support you to reach your career aspirations. Last year 96% of learners progressed onto a positive destination either to higher levels of study, employment, or an Apprenticeship.
