

Bridge the Gap Level 1

This BTEC Level 1 qualification is designed for young people aged 16-18, or up to 24 with an EHCP who have Special Education Needs and/or a Learning Difficulty.

You will be able to explore different working methods to meet the expectation of a fast-paced study. You will also develop skills in time management and meeting deadlines, as you work in line with the feedback offered.

This course will prepare you to progress to mainstream provision. Different vocational sessions will be organised to help you choose the right course to progress onto.

- [Sector Overview](#)

Post 16 SEND provisions offer a range of courses to young people who have special educational needs and disabilities (SEND) which will help to prepare them for adulthood by improving independent living skills and developing employability. A person-centred approach is used to create an individualised programme of study that caters for the studentâ€™
