

Preparation for Life & Work Entry Level 2

This Preparation for Life & Work Entry 2 is designed for young people aged 16-18, or up to 24 with an EHCP who have Special Education Needs and/or a Learning Difficulty and is a BTEC pre-vocational study qualification.

This qualification combines employability, personal and social skills to give learners an opportunity to develop the required skills to progress to employment, independent living, further learning or a combination of these.

The program is personalised to enhance the skills that learners want to master, and the assessments are based on individual needs and abilities.

- [Sector Overview](#)

Post 16 SEND provisions offer a range of courses to young people who have special educational needs and disabilities (SEND) which will help to prepare them for adulthood by improving independent living skills and developing employability. A person-centred approach is used to create an individualised programme of study that caters for the student's needs and helps them to achieve their goals.
