

Media - Content Creation and Production T-Level Level 3

The Media - Content Creation and Production T-Level is a Level 3 course designed for students aged 16-18 who are looking towards a career in the Media Broadcast and Production Industries.

Career options might include:

- TV or film sound technician
- Stagehand
- TV or film production assistant
- TV or film director
- Video editor
- Media researcher
- TV or film camera operator
- And many more

You will study this course for 2 years.

Progression opportunities

This course will lead to progression to higher level courses such as an HND, higher-level apprenticeship, university degree or employment.

Entry Requirements

The entry requirements for this course are:

- 4 GCSEs at Grade 9 to 4 (A*-C), or equivalent including English and maths* and, ideally, a creative subject.
- Or successful completion of the Creative - T-Level Transition Programme.

You will be required to attend an informal interview which may include completing an assessment based on your prior qualifications.

Where entry requirements have not been achieved, students may be referred to the T-Level Transition Programme.

**Consideration may be given if only one (English or maths) is achieved, depending on other subject grades and with the expectation the other subject (English or maths) will be achieved at 9-4 before completing the T-Level. This will form part of the interview and assessment process.*
