Contract Type: Permanent

Waltham Forest College is a forward thinking, vibrant, diverse and exciting place to study and work. We are proud of our achievements including being rated as the top performing college in London for student satisfaction for the past two consecutive years, as well as being graded as Good by Ofsted. We believe that our employees are the heart of the organisation and having the right people in the right place, with the right skills is the key to our success.

We are looking for a committed individual who is passionate about working in an aspirational and high performing college and dedicated to contributing to an outstanding experience for our IT and Digital learners.

An exciting opportunity has arisen for an experienced and proactive IT specialist to join our team. Your role will include teaching on a range of Level 1-3 IT study programmes, and there will also be opportunities to contribute to Games Design and Interactive Media courses.

You will have gained a degree in a relevant subject area e.g. Information Technology, Computing, Games Design. Ideally have a teaching qualification or willingness to achieve. You will also have knowledge of a range of digital technology related topics such as coding, cybersecurity and forms of media possibly E-Sports.

In addition, you will have experience in delivering outstanding teaching; supporting learners to succeed and developing positive working relationships with stakeholders.

You will have the skills to ensure the College meets the needs of the learners well and that the support is innovative and responsive to emerging trends and needs. You will also have good interpersonal skills and experience of using information systems and databases.

The successful candidate will be responsible for contributing to the teaching programme of the College including Levels 1, 2, and 3 in line with Awarding body specifications. In addition, you will have other general curriculum responsibilities including assessments, tracking student achievement and administration of courses.

You will have a keen sense of responsibility, ownership and a 'can do' approach to addressing everyday challenges. If you believe you have the skills, experience and motivation to make a difference and be part of Team Forest, we strongly encourage you to apply for the post at Waltham Forest College.

What's in it for you?

We offer the opportunity to help develop your skills and knowledge in a friendly team environment, plus a range of benefits including a career average pension scheme (LGPS), employee assistance programme and free onsite parking, cycle to work scheme and Sodexo benefits scheme.
