(Including Prevent)

<b>Date of Issue</b>	<b>October 2018</b>
<b>Approved by</b>	<b>The College Corporation</b>
<b>Contact</b>	<b>Director of Services for Students</b>
<b>Review Date</b>	<b>August 2019</b>

## **1. Purpose**

To offer guidance and instructions to all staff, governors, volunteers, sub-contractors and contractors to ensure the College commitment to safeguarding and promoting the welfare of young people and vulnerable adults. If any form of abuse is suspected or if a person is identified as, being vulnerable to being drawn into terrorism-related activity, appropriate action will be taken.

The College requires all staff, governors, volunteers, sub-contractors and those contracted to provide services to share this commitment.

## **2. Scope**

This policy deals with the protection of children and young people and all adults at risk. For the purposes of clarity, any person under the age of 18 is deemed to be a child and an adult at risk is deemed to be a person who is or may be in need of community care services by reason of mental or other disability, age or illness; and who is or may be unable to take care of themselves, or unable to protect themselves against harm or exploitation.

An adult is considered 'vulnerable' if they receive a health, personal or social care service from a professional. Personal services would include, for example, help with financial matters, feeding, washing or dressing. Any person up to the age of 24 with a current Educational Health and Care Plan in place is treated as a child for the purposes of safeguarding & child protection legislation.

All references to staff or adults comprises teaching staff, other staff and volunteers working in the organisation, visitors and includes contractors to the organisation with direct contact with learners, regardless of position, role or responsibilities.

The term 'safeguarding children, young people and adults at risk' embraces both reactive child protection and a preventative approach to keeping young people and adults safe. The statutory guidance Keeping Children Safe in Education 2018, Working Together to Safeguard Children 2018, The Protections of Freedom Act 2012, the Safeguarding Vulnerable Groups Act 2006 and the Prevent Duty Guidance are the key documents upon which this policy is predicated.

Safeguarding and promoting the welfare of children is defined for the purposes of this policy as: protecting children from maltreatment; preventing impairment of children's health or development; ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and taking action to enable all children to have the best outcomes.

A vulnerable student may be identified as a person who:

- Is a Looked After Child (LAC)
- Is a care leaver
- Is a young carer
- Has learning difficulties or disabilities
- Has mental health difficulties (e.g. dementia, personality and eating disorders)
- Has general welfare concerns
- Has a physical or sensory disability
- Has been involved in substance or alcohol misuse
- Has suffered from domestic violence
- Has social or emotional problems

- Has a criminal conviction
- Has a language barrier

A student of any age may also be identified as vulnerable at any time during their programme of study based on behaviour. The Channel vulnerability framework of indicators which may provide psychological hooks leading to engagement with a group, cause or ideology associated with terrorism may include:

- Feelings of grievance and injustice
- Feeling under threat
- A need for identity, meaning and belonging
- A desire for status
- A desire for excitement and adventure
- A need to dominate and control others
- Susceptibility to indoctrination
- A desire for political or moral change
- Opportunistic involvement
- Family or friends involvement in extremism
- Being at a transitional time of life
- Being influenced or controlled by a group
- Relevant mental health issues

Abuse can take many forms including emotional, physical, sexual and mental. Whilst it is more common for there to be a perceived disproportionate power differential between abuser(s) and abusee(s), peer on peer abuse is a significant issue. It must never be tolerated or treated as 'banter' or just 'part of growing up.'

Peer on peer abuse will be minimised through the vigilance and awareness of staff to recognise and identify where such abuse is occurring, and to act swiftly to ensure its curtailment. All disclosures will be recorded in the Safeguarding case files and reviewed on a weekly basis by the DSL, Deputy DSL and the BeSafe team to ensure appropriate support mechanisms are in place for both victims and perpetrators.

Whilst it is clear that peer on peer abuse disproportionately affects females and the College must have appropriate support mechanisms in place, males, LGBTQ and SEND students will also be affected by this issue and staff must be aware of this and prepared to act accordingly.

Given the local context of the London Borough of Waltham Forest and the issues surrounding County Lines the College recognises that so called 'initiation ceremonies' and 'hazing' (defined as: any activity expected of someone joining or participating in a group that humiliates, degrades, abuses, or endangers them regardless of a person's willingness to participate) may be disproportionately represented amongst our student population.

Further advice and guidance on the range of abuse and indicators of abuse can be found in Annex A of 'Keeping Children Safe in Education 2018'. All staff are required to access Part 1 of this document and to read and understand it, all staff working directly with under 18s must also read and understand Annex A.

**The College has clear objectives:**

develop their self-esteem, assertiveness and problem-solving skills, to promote their resilience, and help with behaviour problems such as anger.

### **Duty of Care**

Staff are accountable for the way in which they exercise authority, manage risk, use resources, and actively protect children and people from discrimination and avoidable harm. Staff should develop respectful, caring and professional relationships between themselves and all other users of the College. Staff behaviour should demonstrate integrity, maturity and good judgement, e.g. management of risk in external visits/residential visits.

### **Breach of Trust**

Under the Sexual Offences Act 2003, it is an offence for a person over 18 to have a sexual relationship with a young person under 18 where that person is in a position of trust in respect of that young person, even if the relationship is consensual. This applies when the young person is in full time education and the person works in the same establishment as the young person, even if he/she does not teach the child. Where a sexual relationship exists between a staff member and a student aged 18 or over, it is required that the staff member discloses this to HR immediately.

### **Information Sharing**

Waltham Forest College will ensure that it pursues robust and timely information sharing protocols with all of the agencies working with young people including schools, statutory authorities, support services and social services in line with the 'Working Together to Safeguard Children 2018' document.

### **Safeguarding Reporting Protocols for staff:**

All staff are responsible for safeguarding one another and our students. Where a student makes a disclosure to a member of staff they should do the following:

- **LISTEN** carefully, stay calm; do not express shock or embarrassment
- **DO NOT** guarantee confidentiality, but be clear that you will act sensitively and explain what will happen next
- **GIVE REASSURANCE** that you are taking the information seriously
- **DO NOT** ask leading questions
- **DO NOT** examine any physical injuries
- **DO NOT** attempt to investigate the allegations yourself
- **NEVER JUDGE** – even if the allegation is against a colleague
- **RECORD** what was said, also time, date and place.
- **CONTACT** a member of the Safeguarding Team as soon as is reasonably possible

### **College Safeguarding Recording & Case Management Procedure**

- All safeguarding concerns are either identified by, or referred through to, the Safeguarding Team by members of staff, the Complex Needs Panel, external agencies, students (either self-referring or bringing concerns about peers) or parent/carers
- The Safeguarding Team will investigate all concerns and allegations, make a judgement on next steps and then refer on to the appropriate agency, and/or compose an Early Help Record, taking advice from the DSL as needed
- The Safeguarding Team will meet with the DSL on a weekly basis to review all new cases, monitor on-going cases, and review and monitor a watch-list of those cases

where there are concerns or known pertinent information but that have not yet met an intervention threshold

- Cases are opened and closed by common agreement with the DSL. The DSL always makes final judgement.
- All cases are recorded in a secure folder on the College's G Drive

### **14 – 16s in College**

- The College will ensure that all 14–16 year olds are cared for and have their wellbeing needs met appropriately.
- Where young people are on the roll of another education establishment there will be protocols in place between the College and the designated officers at these establishments for communication regarding unexplained absence or other concerns.
- There will also be liaison with the parent and the schools.
- Young people will be appropriately supervised and registered by qualified staff in all areas of the provision

### **SEND students in College**

- Students with SEND are more likely to be abused and/or neglected. The College will monitor and support these students through College staff and support structures in order to ensure these students are appropriately identified and supported
- The College will ensure that guidance is available so that all staff have an awareness that: behaviour, mood and injury may relate to potential abuse and not just as a result of SEND
- SEND students face a higher risk of peer group isolation
- That bullying/cyberbullying has a disproportionate impact on SEND students
- That difficulties with communication may also adversely impact SEND students

### **Early Help**

Early help means providing support as soon as a problem emerges at any point in a child's life. Where a child would benefit from co-ordinated early help, an early help inter-agency assessment should be arranged. Chapter one of 'Working Together to Safeguard Children 2018' provides detailed guidance on the Early Help process. The Safeguarding Team will be responsible for identifying and implementing any Early Help measures which are required.

Any child may benefit from early help, but all college staff should be particularly alert to the potential need for early help for a child who:

- Is disabled and has specific additional needs;
- Has special educational needs (whether or not they have a statutory education, health and care plan);
- Is a young carer;
- Is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- Is frequently missing/goes missing from care or from home;
- Is misusing drugs or alcohol themselves;
- Is at risk of modern slavery, trafficking or exploitation;
- Is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- Has returned home to their family from care;

- Is showing early signs of abuse and/or neglect;
- Is at risk of being radicalised or exploited;
- Is a privately fostered child

### **Child on child sexual violence and sexual harassment:**

Where any reports are made of child on child sexual violence or sexual harassment these must be dealt with seriously and quickly. The normal disclosure protocols apply. Where such an allegation is made, the BeSafe Team will conduct a thorough risk assessment that considers:

- The victim, especially their protection and support;
- The alleged perpetrator; and
- All the other children (and, if appropriate, adult students and staff) at the college, especially any actions that are appropriate to protect them;

This will be recorded and communicated to all staff that are required to know. Both victim and (alleged) perpetrator will receive appropriate support mechanisms from the College on a case by case basis.

### **Prevent Strategy**

To ensure that the College effectively safeguards students and staff, manages risks and is able to deal appropriately with issues around radicalisation and extremism, the College will;

- Understand the nature of the threat from extremism and how this may impact directly or indirectly on the College
- Encourage staff and students to respect and adhere to fundamental British values
- Ensure staff receive awareness training in recognising and preventing extremism and radicalisation
- Understand and manage potential risks within the College and from external influences including the display of extremist materials and the hiring of College premises
- Respond rapidly and appropriately to events in local, national or international news that may impact on the College community
- Ensure measures are in place to minimise the potential for acts of extremism within the College
- Ensure plans are in place to respond appropriately to a threat or incident within the College
- Work with sub-contractors, employers and work placement providers to ensure they are compliant with the Prevent Duty and the College's safeguarding procedures
- Adopt effective ICT security and responsible user policies and promote these to all staff and students

### **On-line safety and E-safety**

The College will endeavour to both filter and monitor all internet usage within the College in a responsible and transparent way in order to ensure and maintain the safety of staff and students.

## **Wearing of Identity Badges**

In order to ensure that anyone accessing the College Campus is provided with a safe environment, it is a requirement that all staff, students and visitors visibly wear ID badges on the College lanyards provided whenever they are out of the classroom environment.

- No College services will be provided to any person not wearing their lanyard & ID badge
- All teaching staff are required to check their students' ID badges are worn at the start and at the end of all teaching sessions
- Any student who has forgotten or lost their ID badge must get a Temporary ID from Student Services. If a student records three Temporary ID badges requests in any one term their name must be passed to the relevant Head of Learning to invoke a meeting with the student

## **Contextual Safeguarding & Local Circumstances**

Waltham Forest College believes all students have the right to be able to access and enjoy a high quality teaching, learning and assessment with a rich learning experience that both enhances and increases their life chances. The College serves the needs of students from a range of backgrounds including higher proportions of:

- Students from socio-economically deprived areas
- High Needs SEND students
- LAC's/ Care Leavers and Young Carers
- Waltham Forest also faces on-going challenges with gang welfare

The College will ensure that all staff have an effective understanding of the local context and all safeguarding training will acknowledge and reference the local context to ensure that staff are adequately prepared to manage such issues that arise from this.

## **LAC and Care Leavers**

The College will work in close collaboration with the Virtual School and Children's Social Services to ensure all Looked After Children (and previously LAC) are identified and offered appropriate support mechanisms.

The Designated Teacher for LAC students will be Nicola Sands, Welfare and Wellbeing Adviser.

## **Partnership and Information Sharing**

The College will work in conjunction with the local authority and other external agencies such as the Metropolitan Police to ensure information is passed freely where there are safeguarding concerns and information sharing protocols are well established.

All safeguarding referral protocols will reflect the guidance laid down in Part 1 of KCSiE 2018, including Prevent referrals to Channel.

The Counter-Terrorism and Securities Act (2015) places additional responsibilities on Further Education College's to include working with multi-agencies as part of the Channel Process.

## **3. Roles and Responsibilities**

## **All staff**

All members of staff, volunteers, sub-contractors and contractors have a responsibility to be aware of the procedures to be followed in cases of suspected abuse or people at risk of being drawn into terrorism-related activity. Staff who are in regular contact with students are well-placed to notice signs of abuse, behavioural change or failure to develop as expected

If a member of staff suspects a student may be at risk or hears a disclosure from a student, the BeSafe team should be informed as soon as possible. Tutors are responsible for identifying students at risk and will work with the BeSafe Team to develop a College support plan.

During the application and interview process, staff are responsible for identifying students with criminal convictions and referring them to a designated member of staff in Student Services. Staff will liaise with the BeSafe team so that detailed disclosures can be captured by liaising with multi-agencies, such as the Youth Offending Team. The BeSafe team will carry out necessary risk assessments and drafting a support, where appropriate.

- Concerns are any worries about a particular student or colleague that need to be referred onto the Safeguarding Team, wherever there is a lack of surety or clarity about someone's safety.
- Risk of immediate danger or harm means a situation where action must be taken without delay in order to ensure adequate protection is put in place for the person at the centre of the issue. Staff are able to refer direct to Social Services or the Police in these circumstances should the need arise. The Safeguarding Team should be advised of any such action as soon as possible.

## **Use of Reasonable Force by staff on students:**

KCSiE 2018 states that there are circumstances when it is appropriate for staff to use reasonable force to safeguard students. The term 'reasonable force' covers the broad range of actions used by staff that involve a degree of physical contact to control or restrain. This can range from guiding a student to safety by the arm, to more extreme circumstances such as breaking up a fight or where a young person needs to be restrained to prevent violence or injury. 'Reasonable' in these circumstances means 'using no more force than is needed'. The use of force may involve either passive physical contact, such as standing between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of the classroom.

The College has adopted the Department for Education's guidance on the use of reasonable force in schools which is made available to all members of staff within the College (<https://www.gov.uk/government/publications/use-of-reasonable-force-in-schools>)

misconduct. The Secretary of State will consider whether to prohibit the person from working with children in the future or place restrictions on their employment in educational establishments. FE institutions have a statutory duty to make reports, and to provide relevant information to the Secretary of State.

#### **4. Public Interest disclosure**

Staff should acknowledge their individual responsibility to bring matters of concern to the attention of senior management and/or relevant external agencies (Public Interest Disclosure Act 1998). The degree of confidentiality will be governed by the need to protect the student. The student must be informed at the earliest possible stage of the disclosure that the information will be passed on. Discussions of the case must only be with the appropriate staff and any discussion must be private and shared on a need to know basis.

## Appendix 1

The College recognises that abuse, neglect and safeguarding issues are rarely standalone events that can be covered by one definition or label. In most cases, multiple issues will overlap with one another. The following categories of abuse are recognised for the purposes of the child protection register and have been augmented to cover vulnerable adults.

Abuse	<p>Abuse is a form of maltreatment of a child. Somebody may abuse or neglect a child or vulnerable adult by inflicting harm or by failing to act to prevent harm. Children or vulnerable adults may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others (e.g. via the internet). They may be abused by an adult or adults or by another child or children.</p>
Physical abuse	<p>A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child or vulnerable adult. Emotional abuse	<p>Emotional abuse is the persistent emotional maltreatment of a child or vulnerable adult causing severe and persistent adverse effects on the child's or vulnerable adult's emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may feature age of developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child's development capability as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child or vulnerable adult, although it may occur alone.</p>

	<p><b>Indicators of emotional abuse:</b></p> <p><b>Developmental issues</b></p> <ul style="list-style-type: none"> <li>• Delays in physical, mental and emotional development</li> <li>• Poor school performance</li> <li>• Speech disorders, particularly sudden disorders or changes.</li> </ul> <p><b>Behaviour</b></p> <ul style="list-style-type: none"> <li>• Acceptance of punishment which appears excessive</li> <li>• Over-reaction to mistakes</li> <li>• Continual self-deprecation (I'm stupid, ugly, worthless etc)</li> <li>• Neurotic behaviour (such as rocking, hair-twisting, thumb-sucking)</li> <li>• Self-mutilation</li> <li>• Suicide attempts</li> <li>• Drug/solvent abuse</li> <li>• Running away</li> <li>• Compulsive stealing, scavenging</li> <li>• Acting out</li> <li>• Poor trust in significant adults</li> <li>• Regressive behaviour – e.g., wetting</li> <li>• Eating disorders</li> <li>• Destructive tendencies</li> <li>• Neurotic behaviour</li> <li>• Arriving early at school, leaving late</li> </ul> <p><b>Social issues</b></p> <ul style="list-style-type: none"> <li>• Withdrawal from physical contact</li> <li>• Withdrawal from social interaction</li> <li>• Over-compliant behaviour</li> <li>• Insecure, clinging behaviour</li> <li>• Poor social relationships</li> </ul> <p><b>Emotional responses</b></p> <ul style="list-style-type: none"> <li>• Extreme fear of new situations</li> <li>• Inappropriate emotional responses to painful situations (“I deserve this”)</li> <li>• Fear of parents being contacted</li> <li>• Self-disgust</li> <li>• Low self-esteem</li> <li>• Unusually fearful with adults</li> <li>• Lack of concentration, restlessness, aimlessness</li> <li>• Extremes of passivity or aggression</li> </ul>
Sexual abuse	<p>Sexual abuse involves forcing or enticing a child or young person or vulnerable adult to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child or vulnerable adult is aware of what is happening. The activities may involve physical contact, including assault by (for example rape or oral sex) or non-penetrative acts such as masturbating, kissing, rubbing and touching outside of clothing. They may include non-contact activities, such as involving children or vulnerable adults in looking at, or in the production of, sexual images, watching sexual activities, , or encouraging children or vulnerable adults to behave in sexually inappropriate ways, or</p>
