Fees Policy 2021/22

1 Policy objectives

- 1.1 The purpose of this Policy is to provide information and guidance regarding the course tuition fees and other charges that learners will be expected to pay and any financial support that may be available.
- 1.2 The Policy is consistent with the College's overall fee principles for 2021/22, as follows:
 - tuition fees for adult learners are calculated directly from the Education and Skills Funding Agency (ESFA)/Greater London Authority (GLA) co-funding rate i.e. the fee charged to learners is the amount of public funding income which is foregone as a result of the learner being co-funded or not fully funded
 - fee paying learners will have an additional charge for materials and exam fees based on the actual costs being incurred by the College
 - Level 3 Advanced Learning loans will be set at the maximum amount allowed based on the ESFA/GLA funding rate
 - Commercial course fees to be set to generate a reasonable contribution to College overheads, with consideration being given to prevailing market rates
 - Up to ten fee instalments will be available for student on long courses
 - Fee refunds to be made only where the College is responsible for a course closure or change, or in the event of exceptional student personal circumstances
 - The Principal & Chief Executive to retain discretion on all fee matters to deal with exceptional circumstances
- 1.3 The Policy outlines the arrangements for payment by instalments and refunds.
- 1.4 The Policy is applicable to all College students.
- 1.5 Full details about specific course fees and charges, eligibility for receipt of free course tuition and opportunities for financial support to pay fees can be found in the course information guides available on the College's website www.waltham.ac.uk or from Student Services on 020 8501 8501 or Room 219 at the College at 707 Forest Road, London, E17 4JB.

2 Fees for courses fully or partly funded by funding agencies

- 2.1 Where courses are funded in full or part by the Education and Skills Funding (ESFA)/Greater London Authority (GLA), Waltham Forest College sets fees in line with published guidance.
- 2.2 The ESFA has the responsibility for securing the provision of reasonable facilities for education and training suitable to the requirements of persons who are 19 and over. The ESFA has delegated this responsibility to the GLA. This includes learners with an identified learning difficulty or disability who have previously had an Education, Health and Care Plan (EHC) plan and have reached the age of 25.

3 16-18-year-old learners, and 19-24 learners with a Learning Difficulty Assessment (LDA) or Education Health Care Plan (EHCP)

- 3.1 The Education and Skills Funding Agency (ESFA) funds United Kingdom (UK) residents outside of the Greater London area and the Greater London Authority (GLA) funds specifically residents of the Greater London area:

- Aged 16 or over but under 19 on 31 August of the academic year of entry to the course
- Who are 19-24 years old and have a Learning Difficulty Assessment (LDA) or an Education, Health and Care Plan (EHCP) with over £6,000 of learning support costs.

3.2 All learners in this category are fully funded by both the Education and Skills Funding Agency (ESFA) and the Greater London Authority (GLA). This means the learner will not pay any tuition, examination or registration fees. On some courses learners will have an option to purchase their own equipment or kits.

3.3 Learners who start on a full time two year course at the College at age 16-18 years and are progressing to the second year of the programme at 19 years will not be required to pay any tuition, examination or registration fees, though there may be charges for some course materials on a limited number of courses.

4 16-18 Bursary Fund

4.1 Depending on personal circumstances, learners may be able to apply for a bursary to help pay for essential education-related costs such as equipment needed for their course.

4.2 Applications will be considered from learners based on their household income.

5 19+ learners

5.1 The Education and Skills Funding Agency (ESFA) and Greater London Authority (GLA) funds some courses for learners 19 years old and over. For learners aged 24 and over, only a limited number of courses are funded. For courses that are fundable, learners must be:

- UK nationals, have UK citizenship or a UK passport, or nationals of a European Union (EU) or European Economic Area (EEA) country **and** ordinarily resident in the UK or EU or EEA continuously for at least the previous 3 years on the first day of learning (see Annex A for list of countries in the EEA in respect of residence eligibility) , **or**
- have recently settled status, i.e. indefinite leave to remain, refugee status, discretionary leave/humanitarian protection, Section 67 of the Immigration Act 2016 Leave (see Annex B for Immigration Status and their Family Members - Non-EEA Citizens Eligible For Funding) **or**
- A non-EEA citizen with permission granted by the UK government to live in the UK, which is not for educational purposes, and have been ordinarily resident in the UK for at least three years before the start of learning.
- an asylum seeker awaiting Home Office decision for more than 6 months or are receiving local authority support under section 23C or section 23CA of the Children Act 1989 or the Care Act 2014; **or**
- have appealed a decision against granting refugee status and no decision has been made within six months of lodging the appeal or have been granted support under section 4 of Immigration and Asylum Act 1999, or are receiving local authority support under section 23C or section 23CA of the Children Act 1989 or the Care Act 2014.

6 Fees for 19+ learners

- 6.1 Please refer to section 3.3 for learners who started on a two-year full-time course at 16-18 years and are progressing to the second year at 19 years.
- 6.2 Depending on the age of the learner and the type and level of course, the course may or may not be funded by the Education and Skills Funding Agency (ESFA)/Greater London Authority (GLA).
- 6.3 Courses can be:

6.3.1 **Fully funded** – this means that the learner is eligible to receive free tuition and there will be no tuition fees. Depending on the course, the learner may incur other costs e.g. for personal kits, equipment or books. Eligibility for full funding may reflect the nature of the course or the learner’s individual circumstances as set out in the following paragraphs

6.3.2 **Co-funded** – this means that some of the tuition fees (usually about 40%) will be funded by the ESFA/GLA. Learners will be expected to pay the remainder of the tuition fees and any other charges.

6.3.3 **Funded by Advanced Learning Loans** – For learners aged 19 or over, there is no public funding available for courses at Level 3 or above, with one exception as set out below for learners undertaking their first full Level 3 qualification who receive free tuition.

However, for “relevant Level 3 courses” learners may be able to access a loan from the Student Loans Company (SLC) to pay the tuition fees assuming they meet the eligibility criteria outlined in 5.1 above. A “relevant level 3 course” is an Access to HE Diploma and other Level 3 Diplomas and Certificates

The College is unable to give any financial advice about the loan, however, information on the loans scheme and how to access advice is available from Student Services and the Student Loans Company

6.3.4 **Not funded** – this means there is no public funding available. If learners want to enrol on a “Not funded” course, and/or if they do not meet the criteria set out in paragraph 5.1 to receive public funding, they will need to pay the full cost of the course.

- 6.4 For funding purposes, we define a learner as unemployed if one or more of the following apply, they:

- receive Jobseeker’s Allowance (JSA), including those receiving National Insurance credits only;
- receive Employment and Support Allowance (ESA);
- receive Universal Credit, and their take-home pay as recorded on their Universal Credit statement (disregarding Universal Credit payments and other benefits) is less than £343 a month (learner is sole adult in their benefit claim) or £549 a month (learner has a joint benefit claim with their partner);
- are released on temporary licence, studying outside a prison environment, and not funded by the Ministry of Justice;

will be able to enrol on many courses in the College without having to pay tuition or examination fees.

6.5 Learners who are unemployed and on other “inactive” state benefits (e.g. Council Tax Benefit, Housing Benefit, Personal Independence Payment, Disabled Person Tax Credit, Income Support, Working Tax Credit, Pension Credit, Unwaged Dependent of Benefit Claimant, ESA (non-work related)) may also be entitled to free tuition if taking a course with the aim of moving into employment and other courses leading to employment. The table below shows whether funding is available or not depending on the age of the learner and the level and type of course.

Notes

- Age is based on start date, NOT on 31 August.
- Funding for Level 3 and Level 4 Programmes 'Not Funded' may be available through Advanced Learning Loans
- Codes used in the tables above:

Full level 2 – this is a qualification that is the equivalent of 5 GCSEs at grade C or higher

Full level 3 – this is a qualification that is the equivalent of 2 'A' levels, or a BTEC National, or an NVQ level 3 (or some other level 3 qualifications)

7 Financial help for 19+ learners

7.1 The Education and Skills Funding Agency (ESFA) allocates limited sums of money to the College each year in the form of the Learner Support Fund (LSF) and the Advanced Learning Loans Bursary to help disadvantaged learners with costs associated with further education. This may include help with course fees, childcare, transport costs, trips and equipment.

7.2 To be eligible for this fund learners must:

- Be aged 19 or over on 31 August in the academic year of entry
- Have a household income below £25,000
- Meet the residency criteria outlined in 5.1 above
- Be studying on an eligible course

For courses level 2 or below, 40 per cent of the 19+ hardship allocation can be used to support tuition fee if household income below £25,000. The allocation funding may be increased depending on individual circumstances. ESOL learners undertaking Entry or Level 1 provision will receive up to 100 per cent off course fees if household income below £28,000 and for Level 2 course household income is set between £16,500 - £28,000 to receive 50 per cent support. Income below £16,500 will receive 100 per cent off course fees.

7.3 To apply for support from either of these funds, learners will be required to provide proof of ID and income and supply their bank account details. Full details of how to apply are available from Learner Services on 020 8501 8501 or Room 219 at the College at 707 Forest Road, London, E17 4JB. As funds are limited, even if the learner meets the criteria for funding there is no guarantee that funds will be available to support them.

8 Full cost recovery (commercial) courses and bespoke courses for employers

8.1 There is no funding or financial support available on these courses and learners enrolling will need to pay all fees and charges. Learners can arrange payment by instalments on some commercial courses (see Section 11 below).

9 Instalment payments for courses (other than full cost recovery and for employers)

9.1 Instalment payments are available on courses of more than one term. There are no instalment payments available on "short" courses of one term or less.

9.2 Instalment payments are available to learners on courses where fees are over £100.

9.3 Learners can arrange to pay course fees in instalments by direct debit.

9.4 For payment by instalments, learners on a 3-term course costing below £2,000 can be offered up to 5 equal instalments. Courses over the value of £2,000 can be offered up to 10 equal instalments. For termly courses, fees for semester 1, must be paid by December and fees for semester 2 by May. The first instalments in all cases must be paid at the point of enrolment.

9.5 Learners requesting payment by instalments will need to bring with them cash or a credit/debit card to make the first payment together with their bank account details to set up a direct debit for the remaining payments.

- 9.6 The College may allow payment in more than five instalments at its discretion in circumstances of a learner's proven personal financial hardship and if the learner has exhausted all other reasonable methods of paying their fees.

10 Refunds

- 10.1 The College reserves the right to cancel any course where there are insufficient student enrolments recruitment to make the course viable.

- 10.2 Full refunds of any fees or other charges will be made where:

- The course is not, in the event, offered by the College in the current academic year
- The course is cancelled by the College for whatever reason
- There is a significant change in the published arrangements for the course
- The learner is offered a provisional place or conditional offer and, in the event, does not meet the specified conditions for entry

NB A refund for consumable items will only be considered if the learner has not received the consumable item.

- 10.3 Fees are normally only refunded for the reasons stated above. Refunds are not normally given if a learner decides to stop attending the course, unless there are exceptional personal circumstances, e.g. where a learner has a medical condition or illness that prevents them from continuing the course. In this case, the learner would be expected to provide a medical certificate certifying this is the case before a refund is agreed. Any request for a refund arising from a learner's personal circumstances and not covered by paragraph 12.2 will be at the discretion of the Principal and Chief Executive or their delegated senior manager.

- 10.4 In any circumstances not covered under paragraph 12.2 only a proportion of the fee will be refunded based on the number of classes and/or hours which the learner has attended. In addition, the cost of any exam fees which the College has paid to awarding bodies plus an administrative fee may be deducted from any refund due.

- 10.5 Learners applying for a refund will be required to complete an "Application for Refund of Fees" form available from Student Services on 020 8501 8501 or Room 219, or the Finance Counter outside Room 216 at the College at 707 Forest Road, London, E17 4JB.

- 10.6 All applications for refunds must be made to the College within 6 weeks of the learner's last date of attending their course at the College. Applications received outside of this time will not be considered.

11 Non-payment of fees and other charges

- 11.1 All relevant fees and charges are payable at the time of enrolment, unless the learner is paying by instalments, in which case the agreed first payment will be paid at the time of enrolment.

- 11.2 If a learner defaults on an instalment payment an additional administration fee may be charged each time a payment is missed. Learners who are having difficulty meeting the payment deadline should discuss their situation with the Finance Department in Room 216 at the College at 707 Forest Road, London, E17 4JB at least 2 weeks in advance of the next instalment collection.

- 11.3 If a learner fails to pay their fees this may impact on their ability to successfully complete their qualification.

- 11.4 The College reserves the right to refuse to re-enrol any learner in future years if any outstanding debt still exists.
- 11.5 If a learner withdraws early from a programme and does not meet one of the refund categories above, the College will actively pursue the learner for any unpaid fees and/or charges.
- 11.6 If a learner withdraws early from a programme supported by a loan from the Student Loans Company (and does not meet the criteria for a refund identified in section 3.3 above) the learner will be liable to pay any fees or other charges remaining for their course to the College.
- 11.7 The College employs a debt collecting agency to assist in the collection of any outstanding debts including tuition fee debts.

12 Disclaimer

- 12.1 The College reserves the right to amend the information set out in this Policy.
- 12.2 Whilst every effort has been made to ensure the information in this Policy is correct at the time of publication, funding agencies may alter arrangements at short notice and this may result in additional fees and charges being incurred by the learner.
